

Warehouse Operative

Let's Connect, Bromsgrove

Let's Connect offer home technology benefits to clients through employee salary sacrifice on high end products such as Apple and Samsung. We have a diverse client base spanning a number of sectors, including private corporations and public sector NHS trusts and councils.

We are seeking a **Warehouse Operative** to join us. Working in a small team, you will;

- Take delivery of Goods-in and log everything in the system so items can be tracked and monitored
- Store goods securely and in an organised way to make picking for dispatch efficient
- Pick and pack stock for customer orders
- Load orders for delivery
- Occasionally use company van to make deliveries or collect stock

What are we looking for?

You will have previous experience working in a busy warehouse environment, ideally holding a counterbalance forklift license and a full UK driving license.

Working in a small team you will be encouraged to wear many hats and take an active part in the team to complete tasks.

What's on offer?

Salary is up to £19,000 depending on experience.

Working hours are 9am – 5.30pm

Excellent benefits package – it's what we do!

COVID Precautions

Our office spaces have been risk assessed and are fully COVID safe with regular cleaning of high traffic areas and multiple sanitisation stations throughout, providing protection and reassurance for all our colleagues. Furthermore, our field-based staff are provided with personal protective equipment and sanitisers for all visits.
