- Drafting and reviewing share option agreements
- Providing advice on SEIS/EIS/VCT matters to clients
- Providing Stamp taxes advisory and completion of clearance applications
- Ad hoc tax advisory as required
- Active involvement in seeking out Business Development opportunities.

What we are looking for:

We are looking for someone with 3-10 years PQE, most likely in a law firm or the M&A tax team of a Big 4/Top 10 firm, seeking an opportunity to use their legal skills in a different environment, willing to learn and operate as part of a fast moving and dynamic team.

- Legal qualification in Scotland or England
- Experienced in negotiating tax legal documents
- Ability to learn and adapt quickly
- Ability to plan and deliver work to tight deadlines
- Excellent communication skills
- Interest in career development/progression
- A team player and an experienced people manager
- Ability to explain technical issues
- Experience of liaising with HMRC on clearances and negotiating results for your clients.

What you will receive:

- An integral role in a dynamic team
- Opportunity to progress - due to the success of the team, there are no barriers to rapid career progression
- Opportunities to develop a vast range of skills through varied work
- Strong technical understanding of taxes
- On the job training and support
- Competitive package where performance rewarded
