

Manager/Senior Manager, Entrepreneurial Tax

We are recruiting for experienced managers and senior managers to join the Entrepreneurial Tax Team. These are exciting roles with fantastic opportunities for challenging work with phenomenal clients.

Our tax department is one of the largest outside the big four in Scotland. Our Entrepreneurial Tax Team are a multi award-winning team, with a broad range of clients and a focus on delivering the best client service. We offer our team the opportunity to base themselves where they work best, whether that is at home or in our offices.

The Team provide tax services for the clients of the Firm, for members of LINC Scotland and for clients of MBM Commercial LLP, for whom the Firm provides tax services.

We have opportunities in the following advisory areas:

- Share schemes
- M&A tax
- Investments
- Restructuring
- Tax legal services

What you will do:

Your responsibilities, which will vary depending on your specialist area, may include:

- Advising your clients, external or internal, regarding tax consequences of proposed transactions
- Providing advice on various share schemes and managing their delivery to clients
- Drafting and reviewing share option agreements
- Providing advice on SEIS/EIS/VCT matters to clients
- Drafting and negotiating tax clearances with HMRC
- Providing Stamp taxes advisory and completion of clearance applications
- Drafting and reviewing Tax Deeds/Covenants and advising on Tax Warranties
- Negotiating Tax Deeds/Covenants from a buy or sell side with the other party's advisors
- Ad hoc tax advisory as required
- Active involvement in seeking out Business Development opportunities.

What we are looking for:

We are looking for someone with 3-10 years PQE, most likely in a Big 4/Top 10 firm, seeking an opportunity to use their skills in a fast-paced environment, willing to learn and operate as part of a dynamic team.

- Ability to learn and adapt quickly
- Ability to plan and deliver work to tight deadlines
- Excellent communication skills
- Interest in career development/progression
- A team player and an experienced people manager
- Ability to explain technical issues
- Experience of liaising with HMRC on clearances and negotiating results for your clients.

What you will receive:

- An integral role in a dynamic team

- Opportunity to progress - due to the success of the team, there are no barriers to rapid career progression
- Opportunities to develop a vast range of skills through varied work
- Strong technical understanding of taxes
- On the job training and support
- Competitive package where performance is rewarded
